The Kids Charities of the Antelope Valley proudly supports local charities that direct all of their funds and hard work towards assisting disadvantaged kids in our community.

As the event has grown, so have the donations, with \$3,000 collected the first year to over \$300,000 collected at last year's record-breaking event. Each year Thunder on the Lot proudly focuses on assisting hundreds, if not thousands, of kids in the Antelope Valley. After thirteen years of contributions from the community, businesses and private citizens, over \$1,700,000 has been raised to help these special children.

The Kids Charities of the Antelope Valley Mission statement:

We will strive each year to make a positive difference in the lives of kids who need it most. The disadvantages, the hardship and the challenge these kids face motivates us constantly to focus on fulfilling their needs. We will accomplish our goals through special events and public awareness campaigns. We take pride in knowing we have already made a difference and welcome the challenge to beat our future goals. The Kids Charities will continue its mission to serve the innocent children of our community.
